Getting Started

Quick Start

Get your AI desktop agent running in 2 minutes

Choose Your Deployment Method

Bytebot can be deployed in several ways depending on your needs:

Railway (Easiest) Docker Compose Kubernetes/Helm Desktop Only

One-click Deploy on Railway

- Visit the Template**
Click the Deploy Now button in the Bytebot template on Railway.
- Add Anthropic Key**
Enter either your `ANTHROPIC_API_KEY`, `OPENAI_API_KEY`, or `GEMINI_API_KEY` for the bytebot-agent resource.
- Deploy & Launch**

Task ID: 9992

Firefox

Search with Google or enter address

give me cheapest direct flight.

Price spread for the month • Lowest (GA 715): ~AUD 370
• Median (mix of GA & QF): ~AUD 445
• Highest nonstop published: ~AUD 620 (peak Fridays/Sundays late October)

Availability notes

- Both Garuda Indonesia and Qantas publish daily or near-daily nonstop service for Oct 2025; other carriers (Jetstar, Scoot, AirAsia etc.) require a stop (SIN, DPS, KUL) and were not considered.
- Garuda's "Lite" fare does not include checked baggage; add ~AUD 70 for a 20 kg bag. Qantas' Light fare also excludes baggage (add ~AUD 55).
- Prices fluctuate; re-check before booking and consider incognito/private browsing to avoid fare creep.

Bottom line As of today, the cheapest one-way DIRECT flight in October 2025 is Garuda Indonesia GA 715 (SYD 10 : 00 → CGK 14 : 10) priced from about AUD 370.

Firefox

Search with Google or enter address

give me cheapest direct flight.

- Schedule (daily): DEP SYD 13 : 15 → ARR CGK 17 : 35 (4 h 20 m)
- Fare brand: "Red e-Deal Light"
- Price: ≈ AUD 429-475

Price range for October 2025 • Lowest nonstop (GA 715): ~AUD 370

- Median (mix of GA & QF): ~AUD 445
- Highest nonstop observed: ~AUD 620 (peak Fridays/Sundays late month)

Things to note

- Only Garuda Indonesia and Qantas operate true SYD-CGK nonstops; Jetstar, Scoot, AirAsia etc. require stops in SIN/DPS/KUL.
- "Lite/Light" fares exclude checked baggage. Adding a 20 kg bag costs ~AUD 55-70.
- Prices can change quickly; it's worth re-checking before booking (try private/incognito mode to avoid cookie-driven price bumps).

Bottom line: the cheapest DIRECT one-way flight in October 2025 is Garuda Indonesia GA 715 at around AUD 370.
